## step-by-step

- Cover two Cork Sheets in different Bright Fun Fabric. Bend one piece in half and secure by stapling two pieces of Satin Ribbon in the top corners opposite each other. This will form the base of your bag.
- Cover the ends of your bags base with the same colour material, stapling on the inside to secure.
- Decorate the base of the bag by trimming with Satin Ribbon or adding a strip of contrasting material down the centre.
- Decorate the second covered Cork Sheet by trimming with Satin Ribbon. This will be the lid of your bag.
- Staple the lid of your bag to the base by stapling just along the back side edges overlapping the base by approximately 7cm.
- Cut a circle from a third Cork Sheet approximately 6cm in diameter. Cover in Bright Fun Fabric. Glue on a foam butterfly and a mosaic stone, this will form the clip for the bag. Staple this to the bag from the inside.
- Attach a piece of satin ribbon to the back of the bag. This Satin Ribbon will then loop around under the bag, loop around the clip and be stapled to the back of the bag to allow you to open and close your bag.
- Select 3 lengths of Green Raffia and plait these together, do the same with the Pink Raffia, this will form added strength to the handle. Twist the two colours together and staple to each end of the bag.
