

To get started  
you will need...

- Dippity Dye Egg Shapes 356527
- Liquid WaterColor® Classic Colours 265124
- Liquid WaterColor® Tropical Colours 265132
- Eye Droppers 061077

### step-by-step

- Select the colours that you wish to use from the range of Liquid WaterColors.
- Use the Eye Droppers to dispense a small amount of Liquid WaterColor onto the Dippity Dye Egg Shapes and watch the colours disperse and blend.
