## step-by-step

- Cut a rabbit shaped head from White A3 Art Paper, glue on two Black Wiggle Eyes, a Pastel Pom Pom for a nose and Pastel Chenille Stems for whiskers. Use the markers to draw on other facial features. Add some pink feathers to the inside section of the rabbits ears.
- To attach the rabbit head to the Coloured Craft Bag, glue some chenille stems to the back of the rabbits head. You may need more than one for stability.
- To decorate the Coloured Craft Bag we glued some Foam Egg Stickers to the back of the bag, but before doing so we first glued them to a sheet of construction paper. You may wish to make the paper bigger than the foam shape like we did with the purple and pink egg. We then decorated the egg with the shapes from the Foam Egg Sticker Pack.
- Cut a gift tag shape from the construction paper and punch a hole in the top of the gift tag and the Coloured Craft Bag. Thread some Satin Ribbon through the gift tag and the Coloured Craft Bag to attach.
- Attach the rabbit head to the gift bag and fill your bag with Easter treats.
