

To get started
you will need...

- Decofoam People 322800
- Silver Beading Wire 216911
- Glitter Sticking Pieces 322404
- Lace Paper 339218
- Student Scissors 177477
- Kids PVA Glue 085746

step-by-step

- To make the Decofoam People Butterfly you will need a Decofoam People shape. Using Kids PVA Glue, cover the base of the Decofoam People shape with yellow Lace Paper.
- Using Student Scissors cut four lengths of Silver Beading Wire to create the wing shapes. Bend into shape and cover with yellow or orange Glitter Sticking Pieces.
- Push the ends of each wing into the Decofoam People shape to form the wings.
- Cut another piece of Silver Beading Wire for the antennae. Bend into shape, curling the top of the antennae.
- Lastly, push the ends of the antennae into the top of the Decofoam People shape.
