- Jumbo Triangular HB Pencils 124404

step-by-step

- First paint the bottom of the Papier Mache Flower Pot using Blue Liquitemp Paint. Paint the top of the pot using Yellow Liquitemp Paint.
- Make the flower and petals by gluing Coloured Patty Pans together using Kids PVA Glue. Next glue a photo to the centre.
- To make the stem for the flower use Multi Coloured Pop Sticks. Attach these to the flower using Kids PVA Glue.
- Using a Jumbo Triangular HB Pencil draw a leaf shape onto a sheet of green Crayola™ Construction Paper using Crayola™ Super Tip Markers. Cut out and attach using Kids PVA Glue.
- Place some brown Roving Strips in the pot and stand the flower up in the centre.
