step-by-step

- To make this small Jewellery box use a Papier Mache Flower Box.
- Paint the top of the lid in light blue paint. Mix White Liquitemp Paint and Blue Liquitemp Paint to make a light blue. Next paint the two sides of the bottom of the box in light blue.
- Paint the sides of the lid in Blue Liquitemp Paint and the remaining sides of the bottom of the box in blue and leave to dry.
- Glue Sequins and Spangles on the top, in a patterned arrangement.
- Paint a line of Blue Kindy Glitz around the top of the lid.
- Lastly glue Iridescent Stars Scatters around the sides of the bottom section of the box.
