step-by-step

- To make the Princess Crown we used a Cardboard Tiara.
- Using a Round Paint Brush, paint the whole tiara blue using Blue Splash Paint and leave to dry.
- Paint a purple strip along the bottom of the tiara using Purple Splash Paint and leave to dry.
- Glue Assorted Rhinestones around the middle hole, with Kids PVA Glue, using a gold and purple combination.
- Decorate the two strands on either side of the hole by gluing Gold and Silver Diamonds on, flowing from the middle circle.
- Glue silver Embossed Sequins around the outside of the tiara shape, starting from the two strands and continuing along the top of the purple strip at the bottom.
- Paint swirly designs on the inside of the crown, using Kindy Glitz Crystalite Colours.
