

To get started
you will need...

- Wooden 3D Easter Egg
342659
- Purple Fluorescent
Liquicryl Paint 014233
- Kindy Glitz Crystalite
Colours 162040
- Round Paint Brush
009316

step-by-step

- You will need a Wooden 3D Easter Egg.
- Using a Round Paint Brush, paint both sides of the two sections using Purple Fluorescent Liquicryl Paint.
- Paint circles and swirls on one side of a section using Kindy Glitz Crystalite Colours and zigzags and dots on the other side.
- Paint the other section, with circles and outlines. Then paint the back section in stripes.
- Assemble the egg by sliding the two pieces together.
