- Using three different sized circle shapes, cut out 1 large, 1 medium and 2 small circles each on different types of Christmas paper.
- Fold A4 paper in half to make a card. Paste circles onto card spread evenly on the page.
- Using the Kindy Glitz, draw a line from the top of the circle to the top of the page, this forms the string. Then with the Kindy Glitz draw on little bows at the tops of the circles so that they look like Christmas baubles.
