step-by-step

- Paint Santa's body and colour in his face, then fold along the dotted lines. Using either glue or sticky tape, assemble Santa. Cut white foam sheet into 2mm strips and glue onto the bottom of Santa's hat. Glue pieces of white roving strips onto Santa's beard. Glue pom poms around the base of Santa's body and one on top of his hat.
- Cut glitter foam shapes into the shape of Santa's arm and glove. Glue them onto the body. Glue gold and silver stars around the base of Santa's body for decoration. Glue red ribbon along the middle of Santa's shoes and glue a Christmas bell onto each boot.
- Sculpt some glasses from silver beading wire and attach to Santa's face.
