step-by-step

- Paint sleigh using the red paint. Paint the reindeer's head with the Burnt Sienna paint and coat the reindeer's horns with PVA glue then sprinkle gold glitter over the reindeer's horns.
- Cut a piece of felt to fit the seat of the sleigh and glue it down.
- Decorate the edges of the sleigh with Kindy Glitz. Glue on giant snowflake sequin and iridescent stars.
- At the front of the sleigh, glue down a holly leaf and two glitter pom poms to form holly.

Our products provide a raw or 'blank canvas' for children to create their own masterpieces, encouraging individual creativity and promoting originality. We have represented just one example of what you can create with these products...but there are infinite possibilities!
