step-by-step

Lobster:

- Glue down the bottom of a red Craft Paper Bag 235259 to the front of the bag as shown above. Cut out a breast, claws and hands for the Lobster from yellow A4 Assorted Coloured 189910. Glue the breast and claws to the front of the bag using Kids PVA Glue 085746.
- Cut a red Chenille Stem 003152 in half. Bend each piece at 90 degree angles to create the lobsters elbows. Glue the Chenille Stems to the sides of the Craft Paper Bag. Attach the hands to the top of the Chenille Stems with Kids PVA Glue 085746.
- Fold another red Chenille Stem 003152 in half. Glue this to the back of the bag to create stems for the eyes. Cut out two white eyes from A4 Assorted Coloured Paper 189910. Use a black Crayola® Washable Marker 058289 to dot on the eyes and attach to the top of the Chenille Stems with Kids PVA Glue 085746.
