step-by-step

- To make our fish you will need Paper Plates 009902.
- First you can paint your Paper Plate 009902 any colour you like. We suggest using Colorific® Paint Boxes 247114. Or alternatively you could colour this in using Crayola® Washable Markers 058289 or Crayola® Coloured Triangular Pencils 189878.
- To make the fish we used Metallic Ripple Paper 136747. Draw your desired fish shape and carefully cut this out. Now glue this on using Kids PVA Glue 085746.
- You can add an eye to your fish if you like using Medium Black Wiggle Eyes 002089 or Coloured Paper 189910.
- If you want to add more sparkle we suggest adding:
 - Coloured Paper 189910
 - Sequins and Spangles 043133
 - Embossed Sequins 136853
 - Glitter Stars 042937
 - Assorted Rhinestones 075929
 - Kindy Glitz 015537
 - Foam Sheets 089441
 - Acrylic Felt Sheets 012443
- Now all you have to do is write your special message inside! We used "You're a Great Catch!".
- Your Fish is now complete!
