step-by-step

- We painted our Papier Machè Thong Boxes 236273 with Liquicryl Junior Acrylic Paints 295352. We found that the boxes looked more effective if the lids and bottoms were painted different colours.
- We then cut out various shapes: a starfish, palm tree and boat shapes, from A4 Assorted Coloured Paper 189910.
- We also cut out a sun and life saving ring from Acrylic Felt Sheets 012443. Alternatively you could use Foam Sheets 089441.
- Glue your shapes onto the lids of the Papier Machè Thong Boxes using Kids PVA Glue 085746.
- If you want to add some extra sparkle we suggest tracing the rim of the lid with Kindy Glitz 015537.
