## step-by-step

- To make our Wooden Spoon Dad we used Wooden Spoons 235341.
- First you need to decide what colour you would like the body to be. We chose blue for ours.
- Cut a 15cm long length of Crepe Paper 192492 and wrap this around and around the handle of the spoon. Glue this together using Kids PVA Glue 085746.
- To make the arms we used Foam Sheets 089441. Draw the desired shape onto the foam and carefully cut this out. Then simply glue this onto the body.
- We also used the Foam Sheets 089441 to decorate the body. Add buttons and make patterns on Dad's shirt.
