

To get started  
you will need...

- Wooden Christmas Wreath 349290
- Christmas Glitter Pom Poms 042838
- Glue Gun 043877
- Assorted Ribbon 324699
- Glue Stick 043885

## step-by-step

- Start by gluing the biggest pom poms onto the wreath covering it so that you can't see any wood.
- Continue gluing pom poms on top of each other. As it starts to get higher, use the medium sized pom poms, then when it starts to get higher again use the smallest ones.
- Cut 6 pieces of ribbon 40cm long. Tie each piece of ribbon into a bow. Tie all the bows together and glue onto the bottom of the wreath.
- Cut another piece of ribbon 50cm long. Thread it through the holes in the wreath and tie the ends together to make a hanging.

Our products provide a raw or 'blank canvas' for children to create their own masterpieces, encouraging individual creativity and promoting originality. We have represented just one example of what you can create with these products...but there are infinite possibilities!
