

## To get started you will need...

- Decofoam Half Spheres 305581
- Embossed Sequins Red and Green 155804
- Silver Beading Wire 216911
- Christmas Splash Paint 291526
- Coloured Pipe Cleaners 003129
- Black Wiggle Eyes 246181
- Kids PVA Glue 085746

## step-by-step

- Attach your two Decofoam Half Spheres together with glue.
- Paint half of the top Decofoam half Sphere with Red Paint. This will be your Christmas Beetle's face. Paint the remainder with Green Paint. Wait until dry, then attach Green sequins all over your Christmas Beetle's body with Glue.
- Shape your Beading Wire into Wings and attach to the back of the Christmas Beetle's body.
- Cut your Red Pipe Cleaner in half. Curl the ends around and poke them into the Christmas Beetle, at the top of its head. These are its antlers.
- Lastly, attach 2 Black Wiggle Eyes to the face with Glue.
