

To get started you will need...

- Paper Plates 009902
- Kindy Glitz 266791
- Embossed Sequins 236117
- Coloured Jingle Bells 204222
- Curling Ribbon 260935
- Kindergarten Scissors 147553
- A hole punch

step-by-step

- Decorate the outside edge of a Paper Plate using Kindy Glitz. We simply painted stripes rotating the 5 colours around the edge.
- Next decorate the centre using Embossed Sequins.
- To finish off the Christmas Tambourine all you need to do is punch holes around the decorated Paper Plate.
- Next, thread a Jingle Bell through the Curling Ribbon then through the paper plate. Tie a knot and continue around the paper plate. Attach a total of 8 bells to the plate.
