

To get started
you will need...

- Hygienic Craft Rolls 214783
- Decofoam Squares 305532
- Micador Metal Trimmer 301432
- Kids PVA Glue 085746
- Christmas Splash Paint 291526
- Gold Liquicryl Metallic Paint 183392
- A Small Photo of Yourself

step-by-step

- Cut a Decofoam Square into quarters with a Micador Metal Trimmer.
- Glue two quarters together with Kids PVA Glue and paint with green Christmas Splash Paint. This will be the driver's compartment. Once dry attach a photo of yourself as the train driver, with Kids PVA Glue.
- Paint a Hygienic Craft Roll with red Christmas Splash Paint. Paint a wooden piece with Gold Liquicryl Metallic Paint. This will be the train's chimney. Paint 4 wooden wheels with white Christmas Splash Paint.
- Once all pieces are dry, glue the driver's compartment to the back of the red Hygienic Craft Roll. Glue the gold chimney to the front of the Hygienic Craft Roll. And attach the 4 wheels to the sides of the Hygienic Craft Roll.
- You may like to create carriages for your train and join them together with ribbon!
