- Assorted Black Wiggle Eyes 246181
- Christmas Chenille Twists 323204
- Christmas Bells 042549
- Kindergarten Scissors 147553

step-by-step

- Cut a piece of red Glitter Stocking approximately 20cm long, turn it inside out and tie a knot in one end. Turn the Glitter Stocking back the right way.
- Scrunch up a ball of Wadding the size of your fist and stuff it inside the Glitter Stocking. Tie it off with a knot.
- Turn the ball upside down so that the knot is at the bottom and the flat surface is on the top.
- Cover a Decofoam Ball with a piece of white Glitter Stocking. Glue the Decofoam Ball onto the top of the red Glitter Stocking using Kids PVA Glue to make the head.

step-by-step

- Untwist a Christmas Chenille Twist to remove the green Chenille Stem. You may wish to use all three colours. Twist the Chenille Stem pipe around a Permanent Marker to make it into a spiralled hat. Attach a Christmas Bell to the end of the hat then glue onto head using Kids PVA Glue.
 - Glue 2 Wiggle Eyes onto the head to make the face.
 - Cut a piece of red Christmas Felt to form a mouth and glue it on the face.
 - Cut a piece Wadding into a triangle then glue it to the face to make a beard.
 - Cut a length of White Noodle Roonie and glue it around the body to make the belt.
 - Cut three white felt circles from the Christmas Felt and glue vertically down the body for the buttons.
- Now your Santa is complete try making an elf using the green Glitter Stocking piece.
