

To get started you will need...

- Coloured Jingle Bells 204222 or Christmas Bells 042549
- Tinsel Pipe Cleaners 003194
- Red and Green Satin Ribbon 235879
- Kindergarten Scissors 147553

step-by-step

- To make this beautiful Reindeer Bell we used Coloured Jingle Bells. Alternatively you could use Christmas Bells.
- Simply thread these onto a Tinsel Pipe Cleaner. Then mould the Pipe Cleaner into a circle shape and twist the ends together to ensure that the bells stay in place.
- As a finishing touch we tied a bow at the base using Red and Green Satin Ribbon.
