step-by-step

- To make our Tree we used Paper Hand Shapes. This is a great activity for the whole class as each child can decorate their own hand shape!
- Paint your hand shape using Green Liquicryl Paint. Alternatively you could colour in using Crayola® Washable Markers or Crayola® Coloured Triangular Pencils.
- Then we simply add each child's name. Once dry, simply glue or pin your hand shapes together to form a tree shape.
- As a finishing touch we cut a large star from a yellow Acrylic Felt Sheet and attached it to the top of our tree!
