step-by-step

- Cut a length of paper taller than the Christmas Chenille Twists. Fold it in half then draw a triangle onto the paper and cut out the triangle. You now have two triangles.
- Fold one end of the Christmas Chenille Twist to make a loop.
- Cut the 2 triangles into 6 sections. Spread Kids PVA Glue on all pieces of one of the triangles and then glue the Christmas Chenille Twist to the pieces of paper.
- Spread Kids PVA Glue on the other pieces of paper from the 2nd triangle and glue them on top of the Christmas Chenille Twist, matching up the shapes.
- Cut a pot out from a folded piece of Foiled Crepe Paper. Using Kids PVA Glue, attach to the bottom of the Christmas Chenille Twist, one pot on each side of the Christmas Chenille Twist.
- Glue a Christmas Rhinestone star at the top of the tree. Decorate the tree using the Kindy Glitz and Embossed Sequins.
