## step-by-step

- First, you need to decorate the decofoam cylinder. You can paint this first and then add any sparkles you wish. Try using Christmas Mix Embossed Sequins, Embossed Sequins, Christmas Glitter Stars, Christmas Rhinestones, Assorted Rhinestones, Christmas Glitter Pom Poms or Kindy Glitz. Glue these on with Kids PVA Glue.
- Once dry, add the drum top and bottom and hold into place by winding the metallic yarn around the drum. Small hooks on the drum make this really easy for young children.
- Now your drum is complete. Give to a loved one or add Metallic Yarn and use as an ornament to hang on your tree...
