step-by-step

- First use a Marker to trace around a Small Cotton Bag onto some red Christmas Felt. Carefully cut this out and glue onto the bag using Kids PVA Glue.
- Cut out a buckle shape 8 x 8cm, using Metallic Ripple Paper. Cutting the inner square out might be a little tricky so an adult may be required to assist children.
- For the belt, cut a strip of black Christmas Felt approximately 5 x 22cm. Thread this through the buckle and then use Kids PVA Glue to glue onto the bag.
