step-by-step

- Cut a small gold square out of the gold Metallic Paper. Cut the inside out and thread the black piece of Prism Board through the square to form the belt buckle.
- Wrap the belt around the Hygienic Craft Roll about 1cm above the white Christmas Felt. Glue it down using Kids PVA Glue.
- Using Kids PVA Glue, attach Wiggle Eyes. Cut a circle of pink Foam Sheet and attach it onto the pink section of the Hygienic Craft Roll to form the face. Using Kids PVA Glue, glue White Curly Hair on the top of the Hygienic Craft Roll and Wadding underneath the nose for the beard.
- Fold a peice of red Christmas Felt to form Santa's hat and glue onto the White Curly Hair. Attach a white Pom Pom at the peak of the hat and use Kids PVA Glue to glue some extra Wadding around the brim of the hat.
