

To get started
you will need...

- Assorted Spools 302398
- Pom Poms 000034
- Black Wiggle Eyes 246181
- Chenille Stems 003152
- Acrylic Felt Sheets 012443

step-by-step

- Cut 1/3 of a brown Chenille Stem off. Bend it in half.
- Fold the remainder 1/3 of the brown Chenille Stem in half. Glue the Chenille Stem between a large Pom Pom and a Spool as pictured.
- Then glue the small brown Chenille Stem between a small White Pom Pom and the other end of the Spool. Bend the ends of the Chenille Stems forward to make feet.
- Cut a brown Chenille Stem in half. Bend it in half and glue the V to the back of your reindeer's head. Bend the ends down to create antlers.
- Cut two small ears from a brown Acrylic Felt Sheet. Glue these to the back of the Reindeer's head.
- Lastly, glue 2 Black Wiggle Eyes and a red Pom Pom nose to the face of your Spool Reindeer.
- Add a ribbon and bell to the collar of your Reindeer if you like.
