

## To get started you will need...

- Wood Turning Shapes 302406
- Liquicryl Paint 286997
- Kids PVA Glue 085746
- Christmas Felt 088237
- Pom Poms 000034
- Gold Tinsel Stems 322503
- Crayola Washable Markers 116087
- Kindergarten Scissors 147553

## step-by-step

- Paint a wooden body and 2 flat circular Wood Turning Shape pieces with red Liquicryl Paint.
- Paint 2 small Wood Turning Shape spheres with black Liquicryl Paint. Once dry, use Kids PVA Glue to glue the Large Wooden Sphere to the red body. This is your Santa's head.
- Attach the 2 red small flat circular pieces to the sides of Santa's body as arms. Use Kids PVA Glue to attach 2 plain small spheres the ends of the red arms. These are Santa's hands.
- Use Kids PVA Glue to attach the 2 black small spheres to the base of

## step-by-step

Santa's body as feet.

- Once dry cut a 0.5cm strip of white Christmas Felt with Scissors. Wrap the white Christmas Felt strip around Santa's body as a belt. Cut off any excess and secure in place with Kids PVA Glue.
- Use the left over white Christmas Felt strip as Santa's cuffs. Cut off any excess and secure in place with Kids PVA Glue.
- Cut a tall triangle from red Christmas Felt, making sure that the base of the triangle fits the circumference of Santa's head. Secure around Santa's forehead with Kids PVA Glue. Fold your hat to the side, add a small white Pom Pom and secure with Kids PVA Glue.
- Once dry cut a 0.5cm strip of white Christmas Felt with Scissors. Wrap the white Christmas Felt strip around the edge of Santa's hat and glue in place with Kids PVA Glue.
- Cut a beard and moustache from a sheet of white Christmas Felt. Using Kids PVA Glue, glue to Santa's face. Glue on your last Small Wooden Sphere over Santa's beard and moustache, as his nose.
- Use a black Marker to draw on Santa's eyes.
- Lastly, bend your Gold Tinsel Stem into a square shape and glue to Santa's belt as his buckle.
- You may like to give Santa some extra sparkle with Kindy Glitz!
