step-by-step

- The first step is to paint the Wooden Spoon. We mixed together red and white Christmas Splash Paint to form a light pink skin colour.
- When the paint has dried, use Kids PVA Glue to glue on two Wiggle Eyes and Blonde Curly Hair. Draw on a mouth using a Marker.
- Cut a circle out of the white Christmas Felt. Cut a quarter out of the circle and fold to make a cone shape, leaving a wide enough hole to fit the Wooden Spoon handle through. Use Kids PVA Glue to glue down the edges to keep it intact.
- Thread the Wooden Spoon through the opening at the top of the

white Christmas Felt cone and glue it down.

- Cut 4 rectangles out of the white Christmas Felt to use as arms. Cut a small circle out of the white Christmas Felt and paint it with your pre-mixed pink paint. Cut the circle in half and use the 2 semi circles as hands.
- Glue each semi circle onto 2 rectangles, with the rounded edge hanging off the edge. Glue the other 2 rectangles on top of the first 2 rectangles.
- Glue arms to the side of the cone.
- Draw a pair of wings onto a gold piece of Metallic Paper and glue them to the back of the angel.
