

To get started
you will need...

- 8 PLY Acrylic Red Wool 215590
- Christmas Corrabuff Shape 043158
- Star Shaped Rhinestones 228395
- Kids PVA Glue 085746
- Kindergarten Scissors 147553

step-by-step

- Wrap your red wool around your hand until it is quit thick. Take it off your hand and wrap a piece of wool around the end of your wool bunch, making sure to leave a loop large enough to fit a pair of scissors. Poke your scissors through the hole and cut the end. Repeat 4 more times.
- Arrange your 5 pieces of wool in a star shape. Glue one Red Corrabuff Star in the centre of your star.
- Do the same on the back. This will hold your wool bunches in place.
- Now, glue your gold star gems in the centre of your Red Corrabuff Stars.
